#### **Buy** vs **Rent**

The average building entrance uses 5, 3'x5' mats.

Retail Cost : \$544.50	1 yr. Rental Cost : \$746.20
But wait! Our mats perform well up to 5 years!	
Retail Cost : \$544.50	5 yr. Rental Cost : \$3,731

The savings are simply  
**\$3,186.50**  
or more per location!

Remember that is only 5 mats!

How many do you rent?  
10? 15? 20?

**Purchasing is the preferable option.**

- \* Did you know your mats do not need to be washed regularly?
- \* Did you know owning your mats saves thousands over time?
- \* Did you know that you can purchase higher quality mats and still save?
- \* Do you know where your rental mats have been?
- \* Do you have a team cleaning your mats between pickups?
